Chapter 1 by Hannah

The hardest things
To say in
Life are shorter
Than you'd think.

Short sentences can
Be difficult to
Say when they
Convey so much.

All you need
Is three little
Words to make
Somebody's smile grow.

Any three words
Will work just
Fine as long
As they're important.

It's hard at
First to say
These things that

you've never said before

But once you've
Said them everything
Will seem easier

In your heart.

The most important
Phrase of all
Is one I
Have never said.

When the time
Is right I'll
Know because I
Will feel it.

That magic moment
In my life
When all else
Seems so small

All that matters
Is here and
Now when my
Voice speaks loud

These three words
Are simply just

I
Love
You
